

neo COSTA RIVIERA

The new taste of cruising.

All the pleasure of traveling at your own pace. Costa neoRiviera, the latest addition to the Costa fleet will let you discover a new cruise concept for connoisseurs: extended stays in ports of call to be enjoyed to the fullest, on exclusive, unusual destinations off the beaten routes, with more intimate, comfortable and personal spaces, and no crowds. Discover the refined pleasure of waking up every morning in external cabins or suites even more spacious than before, and maybe even contemplate the immensity of the sea from your own private balcony. From the special taste of the restaurants to the onboard environments, Costa neoRiviera is inspired by the atmosphere and fascination of the Italian Riviera, the French Riviera and the Amalfi Coast. Imagine yourself in Cinque Terre, Saint Tropez and Amalfi, and let the ship captivate you with her new charm.
